Caring for Your Loved Ones

CARING FOR YOUR LOVED ONES

LaCour House is a premier residence featuring assisted living, memory care and an adult day care center, LaCour House is designed to provide individualized services to elder adults in an affordable home-like setting.

At LaCour House, we have developed a special combination of facilities and personal care services designed to assist those who need help with daily living activities. We focus on maximizing each resident's independence, privacy, dignity and choices. LaCour House is well-suited for individuals who would benefit from personal care services to ensure their health, safety and well-being. As a licensed residence, professionally trained staff members are on-site 24 hours a day to meet scheduled and unexpected care needs.

SERVICES MAY INCLUDE

- » Assistance with personal care needs
- » Medication management
- » Dining assistance and special diets
- » Escorts to meals and activities
- » Diabetes management and other chronic care needs
- » Short stay options
- » Adult day care programs
- » Memory Care services
- » Health monitoring, nursing and other health related services
- » 24 hour staff with RN supervision

When you join our community, we carefully review your specific needs and preferences to determine your level of care. Additionally, we will work directly with your physician to provide continuity of care.
